

STUDY/ HOMEWORK SCHEDULE FOR BIOLOGY COMPETENCY EXAM (BCT) 2017

The BCT will take place on Wednesday May 31st and the Thursday June 1st.
We will perform a practice test on Friday May 26th and Tuesday May 30th.

The following timeline is a suggested study schedule to help you study all the topics. You should perform the topics listed each day in class and complete for homework. If it is a block day that our class does not meet, you are responsible for the work listed on that date.

To access the study guide and questions via computer follow the instructions:
